

You can make it happen . . .

Gladwin County First Settler Sesquicentennial

Gladwin County is celebrating a very special event in 2011—the 150th anniversary of the arrival of our first permanent settler, Marvil Secord. He was followed by many sturdy pioneers, and we celebrate all of them this year on our Sesquicentennial Weekend, July 29, 30 & 31 with special events, fireworks, parades, concerts, shows and many other events.

We will also be issuing a new History of Gladwin County—a 300 page book that tells the story of who we are, how we got here, and what we have done this past 150 years.

All of this costs money, so we are asking you to help. As a thank you, we offer several benefits to sponsors as described at right. Please consider making an investment in this major celebration.

Thank you,

Sesquicentennial Organizing Committee
